

Dear Colleagues:

People's Friendship University of Russia (RUDN University) hereby invites students, postgraduate students, teachers and specialists to take part in «ESCOLAR» International school for entrants to the master programs that will be held on the premises of the Agrarian and Technological Institute of the RUDN University from April 15 through May 15, 2021.

In a highly competitive global economy, it is very important to be a qualified and interdisciplinary specialist, to have not only domestic but also international competencies to solve ambitious tasks. The aim of the school is to improve the theoretical and practice skills by effective studying of landscape architecture, urbanization and development of "green" areas.

As part of the ESCOLAR School, young specialists will share educational developments implemented in the Erasmus + Jean Monnet Actions project “ESCOLAR: Enhanced Skills and Competences in European Studies for Landscape Architects, Environmental specialists and managers”.

Students will be able to acquire exclusive competencies in the sphere of global approaches to landscape architecture, environmental protection, urbanization, as well as skills in the field of project management.

This year the School will be held online. Studies will be arranged on Microsoft Teams platform. Links to lectures and seminars and learning aids will be sent to registered participants by email.

ESCOLAR School programme will include:

1. Intensive classes under the guidance of Russian and foreign specialists;
2. Presentation of educational programs of ATI RUDN;
3. Joint preparation of the interdisciplinary project for defense;
4. Formal defense of the project;
5. Online Closing Ceremony: the participants will be sent an official certificate.

ESCOLAR School participation fee is free

School's working language – English, Russian.
